Department/Agency Profile

PARTICIPATING DEPARTMENT/AGENCY

Name of Department/Agency: Natural Resources Canada
Energy Sector / Office of Energy Efficiency (OEE)

Department/Agency Mandate: *(A brief, plain language overview of how it serves the public)*

The OEE has a mandate to strengthen Canada's commitment to energy efficiency, smarter energy use, and increased uptake of alternative fuels. It helps to deliver energy cost savings for Canadians/businesses and contributes to attainment of Canada's climate change targets.

Location(s): Ottawa Gatineau Ottawa and Gatineau

Department/Agency Social Media Channels (if applicable):

- Facebook: @EnvironmentandNaturalResourcesinCanada
- Facebook: @Energystarcanada
- Twitter: @NRCan
- Twitter: @Energystar_CAN

CURRENT AND UPCOMING HIRING OVERVIEW

Current hiring channel(s): FSWEF GC Jobs FSWEF and GC Jobs

Current/upcoming hiring opportunities: *(A snapshot of position titles and/or areas.)*

Technical Advisor (ENG-03), Policy Analyst and Economist (EC-05, 06, 07), Administrative Assistant, Financial Officer (AS-01, 02, 03)

Skill sets currently in demand for your department/agency:

- Strong writer
- Ability to build relationships
- Analytical Skills
- Knowledge of Canada's Energy Sector
- Research Skills

Programs of study/educational background that best align with current hiring needs:

EC: Degree from a recognized university with acceptable specialization in Economics, Sociology or Statistics. ENG: degree from a recognized post-secondary institution in mechanical engineering, civil engineering, electrical engineering, aeronautical engineering, geological engineering.

Why your department/agency?

The OEE needs curious, adaptable, engaging, and smart individuals to join our team. Attitudes toward energy use and demand, and low carbon transportation are changing in Canada and abroad. Our work in the OEE supports shifting the way we use energy in Canada, and finding innovative ways to work with our partners to promote energy efficiency and low-carbon fuels.

Department/Agency Profile

PARTICIPATING DEPARTMENT/AGENCY

Name of Department/Agency: Natural Resources Canada - Audit & Evaluation Branch

Department/Agency Mandate: *(A brief, plain language overview of how it serves the public)*

The mandate of Natural Resources Canada (NRCan) is to develop, implement and deliver policies, programs, science and technology for the sustainable development and responsible use of Canada's mineral, energy and forestry resources. The Audit and Evaluation Branch provides internal audit, evaluation and advisory services to departmental management.

Location(s): Ottawa Gatineau Ottawa and Gatineau

Department/Agency Social Media Channels (if applicable):

<https://www.nrcan.gc.ca/home>

CURRENT AND UPCOMING HIRING OVERVIEW

Current hiring channel(s): FSWEF GC Jobs FSWEF and GC Jobs

Current/upcoming hiring opportunities: *(A snapshot of position titles and/or areas.)*

We are seeking students through FSWEF or for co-op opportunities.

Skill sets currently in demand for your department/agency:

Critical thinking skills, interpersonal skills, writing skills, attention to detail, analytical skills

Programs of study/educational background that best align with current hiring needs:

Evaluation: Graduate studies in economics or social sciences

Audit: Traditionally auditors have come from business programs, but any program that supports the skill sets identified above would well align with our work.

Why your department/agency?

NRCan is an established leader in science and technology and we are considered one of Canada's most innovative governmental departments. In the Audit and Evaluation Branch we are uniquely positioned to interact with groups across the Department to provide audit, evaluation and advisory services to support senior management and the Deputy Minister in promoting sound decision-making and strong stewardship practices across NRCan as it seeks to fulfill its mandate.
